celexon - your specialist
for home cinema and AV solutions

PRODUCT INFORMATION

The celexon Battery screen Electric Professional Plus revolutionizes the equipment of conference and meeting rooms as well as in the home.

No plug | Just play! - The battery-powered screen does not require a permanent power supply and can be operated up to 500 times with a full charge. The discreet and crisp case design with flush-closing weighted bar is found through the entire Professional Plus series. The durable and smooth running motor with integrated RF remote control makes the screen a practical and convenient projection solution.

celexon Battery Screen
Electric Professional Plus

KEY INFORMATION

- Black side and bottom masking
- Black backed, impervious to light
- PVC cloth with fine structure for 4K to 8K projections
- Optimized gain factor of 1.1, viewing angle of over 150°
