

TR18

FLAT SCREEN TROLLEY

FOR ONE 60"-95" SCREEN

This modern and universal TR18 video conferencing trolley enables professional installation of heavier screens up to 95". Cable management system allows the cables to be hidden, thus creating an aesthetic and smart installation. Also, seamless adjustment of screen height allows the user to adjust image to the room and the needs of the audience. TR18 is equipped with a system that protects the screen against falling or unauthorised removal. It has been designed for larger conference rooms and exhibition fairs.

FEATURES

- Adjustable height
- Cable management for smart installation
- Simple and quick installation
- Includes 4 non-marking braked casters
- All necessary mounting hardware included
