

### OVERVIEW

The Huddle and Stand-to-Meet collaborative tables are designed to integrate seamlessly with meeting technology. The Huddle can be powered up and down at the push of a button. Transition between seated or standing meetings seamlessly. Whilst the Stand-to-Meet is a fixed height collaborative table, perfect for brief meetings/hot-desking.

Both styles offer ample capacity for cabling and integration with other systems, all accessible through a cable well and locking door. Built in 4-way power socket.

### KEY FEATURES

- Huddle offers a seamless transition between seated and standing positioning with 500mm height adjustment.
- Variety of table top finishes (including oak or beech) with branding and custom cut-outs available at extra cost.
- Single and twin screen versions available.
- Includes full unified connectivity with built in hearing loop.
- Compatible with UNICOL sound bar, video bar and video conference mounts.
