EDUCATION PROJECTOR **D755WT**

Ultra-short-throw projector with widescreen projection and a host of connectivity options

The D755WT is Vivitek's new compact ultra-short-throw projector enabling perfect presentation for the presenter without incident light in the eyes and without shadows on the image. The D755WT delivers high brightness with 3,300 ANSI Lumens and an outstanding contrast ratio of 5000:1 for a perfectly displayed image. The D755WT is a stylish projector that is future proof with direct 3D via HDMI, powerful 20W built-in speaker and an assortment of connectivity options include HDMI v1.4 for perfect digital image transmission and RJ-45 for network connectivity, the D755WT is the ultimate education projector for perfect presentations.

Features

- 3300 ANSI lumens with a 5000:1 contrast ratio
- Delivers a large 80" to 100" image from a ultra-short distance
- Helps prevent shadow obstruction and light glare in the presenter's eyes
- DLP® and BrilliantColor™ technologies for sharp and detailed image quality
- High-efficiency lamp that last up to 10.000 hours (in economy mode)
- DisplayPort connector for digital audio and video signals
- Network ready for integration and system administration via RJ45
- VGA–output for display on a secondary monitor
- Powerful 20W audio speaker
- Top-loading, cover for quick and easy lamp replacement
- Sealed optical engine, minimizing the impact of dust and smoke
- Keypad lock prevents accidental system adjustments
